LINKcat Carts

Cart 🛒

The Cart feature allows you to create a temporary list of items as you browse the catalog. **A cart isn't connected to your library account and the contents will be deleted after you leave LINKcat.**

Add items to a Cart

After searching LINKcat, click **Add to Cart** for a single title. To select multiple titles, check the boxes next to each title, and click **Add to Cart** at the top.

View and modify your Cart

In the upper right-hand corner, click on the Cart icon. Note that the Cart icon will not appear in the upper right-hand corner until *after* you have added items to the Cart.

After clicking on the Cart icon, the Cart contents will appear in a pop-up box. From there you can:

- Print, email (if logged in), download, or empty the contents of your Cart.
- Select one or more titles by checking the box in front of the title (or click **All** to select all items). Then:
  - Click **Remove title** to delete the selected item(s) from your Cart.
  - Click **Place hold** to place a hold on the selected item(s).
  - If logged in, click **Add to a List** to add the selected item(s) to a List.

The contents of Carts are deleted when LINKcat is closed, or when you log out of your account.
